Description

Look at this Modern Country Cottage, with all it's UPGRADES just sitting beautifully on .66 ACRES! This home has truly been TRANSFORMED!!! With all the cookie cutters going up, this NO HOA gem will not last long. Currently a 2 bedroom/2.5 bath with an office that could be converted to a 3rd bedroom. Both bedrooms have completely renovated full on-suite bathrooms. The kitchen is spacious with a huge island, stainless steel appliances and granite countertops. On top of how great this home has become; there's a 1080sf UNFINISHED, WALKOUT BASEMENT that can be turned into anything you desire. Once completed, you'll have a 2500sf BASICALLY BRAND NEW HOME!!! Boasting just too many improvements to list, this home has had more than a "facelift", it's an overhaul. Also, so much has been added...like a brand new poured concrete driveway and parking pad, a gorgeous stone retaining wall, steps and sidewalk to the front porch, a sizable firepit with stone patio pavers, an extremely convenient deck built right off the kitchen, a necessary storage shed, and so much more. THIS ONE IS A MUST SEE!!!
