Description

SOLID BRICK. 1.84 ACRES. PRIVACY. POTENTIAL. AND THE FREEDOM TO MAKE IT YOUR OWN! Conveniently located between Boiling Springs, Lake Bowen, and Inman, this one-owner, all-brick ranch offers something that is becoming increasingly hard to find — nearly two acres in an established neighborhood with no HOA. Set on a spacious 1.84-acre corner lot, the property offers mature trees, privacy, established landscaping, and plenty of room to enjoy the outdoors. This home is being sold AS-IS. The sellers are not planning to make repairs or updates, giving the next owner the opportunity to evaluate the property and make improvements according to their own preferences, priorities, and budget. Whether your vision is cosmetic updates, modernizing the kitchen and baths, refreshing the finishes, or simply making the home your own over time, the possibilities are yours to explore. The property itself offers a wonderful foundation. The spacious lot features mature hardwoods, flowering shrubs, grapevines, and fruit trees, creating a peaceful and private setting with room for gardening, outdoor entertaining, recreation, or simply enjoying the beauty of established landscaping. Inside, the 3-bedroom, 2-bath home features a functional floor plan, a spacious kitchen with abundant cabinetry and granite countertops, and a generous laundry room. The classic brick construction provides a durable foundation for someone ready to bring their own vision to the home. Outside, you'll find a double carport, detached garage with workshop, public water, and a private well for outdoor use. A transferable termite bond adds another valuable feature to the property. Location is another major advantage. Enjoy the convenience of being close to Boiling Springs, Lake Bowen, and Inman, while still having the space and privacy that come with 1.84 acres. The property is also located in the Boiling Springs school area and sits within an established neighborhood with no HOA. If you've been looking for land, privacy, mature trees, classic brick construction, a great location, and the opportunity to create a home that fits your own style and budget, 551 Riveroak Road deserves a closer look. Sold AS-IS — bring your vision, your plans, and your ideas, and make this property your own.
