Description

Take a short walk to the beach every morning and every late afternoon---or take the whole family down to the beach for a whole day of fun when you live a couple of blocks away! This solid brick house is ready for you to move in and start making memories with YOUR family! 2 bedrooms downstairs and 2 bedrooms up, plus a huge family room with room for everyone---or it can be a relaxing haven just for you! The second bedroom downstairs is next to the owner's suite, so it could be used as a nursery or a convenient bedroom for a loved one you are caring for--or as a convenient office space at the front of the house. Each bedroom upstairs is large enough to put in two queen beds to house a whole family in each when friends or family come to visit! Come see it soon, as finding a home ready-to-move-into on the ocean side of Hwy 17 Business at this price is getting harder and harder to find--and this one is a great find!
