Description

Situated on a full one-acre homesite in Old Charleston Acres, this Stanley Martin Indigo offers the rare combination of space, privacy, and modern living in Pelion, zoned for highly sought-after Lexington One schools. With only two side neighbors and no homes directly behind, you'll enjoy a peaceful setting that's becoming increasingly difficult to find as one-acre homesites become more limited. This thoughtfully designed two-story home features four bedrooms, two-and-a-half bathrooms, and a versatile bonus room, offering plenty of space for today's lifestyle. The open-concept main level seamlessly connects the upgraded kitchen, dining area, and great room, creating the perfect setting for everyday living and entertaining. Upstairs, the spacious owner's suite includes a private bath and oversized walk-in closet, while the additional bedrooms provide flexibility for family, guests, a home office, or hobbies. Enjoy the freedom of a full acre with endless possibilities for outdoor living, gardening, recreation, or simply relaxing in your own backyard. Nature lovers will appreciate nearby Peachtree Rock Heritage Preserve and Pelion Park, offering hiking trails and outdoor adventures just minutes away. Conveniently located near shopping, dining, and major commuter routes, this home offers the perfect balance of peaceful country living and everyday convenience.
