From the moment you enter, you'll appreciate the attention to detail and premium finishes throughout. The heart of the home is the beautifully appointed kitchen, featuring custom cabinetry with convenient slide-to-open storage, premium granite countertops, and finishes designed for both style and everyday functionality. A large laundry room/pantry provides an abundance of additional storage and workspace. The inviting family room showcases a sleek electric fireplace, creating a warm and comfortable gathering space. Throughout the home, engineered wood flooring provides a beautiful, durable finish that complements the home's upscale feel. Step outside and enjoy the cozy screened porch, perfect for morning coffee, relaxing evenings, or entertaining guests. The fully fenced backyard provides privacy and is ideal for pets, children, gardening, or simply enjoying your own outdoor space. For those needing extra storage or workspace, you'll love the three storage buildings, with electric service in two—an exceptional bonus for hobbies, projects, lawn equipment, or additional storage. Peace of mind comes with major updates, including StormBreaker windows, a Certified SureStart roof, and a 2024 water heater. These improvements, along with the home's premium finishes and carefully selected materials, offer the confidence that the important components have been built and upgraded to provide lasting value. And best of all—NO HOA! Enjoy the freedom and flexibility that comes with owning your own property without the restrictions and fees of an HOA. 5582 Dogwood Circle is more than a house—it's a thoughtfully upgraded home where quality, comfort, storage, privacy, and peace of mind come together.
