Description

Welcome to 57 Missroon Street in Georgetown! Situated on approximately 0.76 acre with no HOA, this single-level home offers 3 bedrooms, 2 full bathrooms, 2,131 heated square feet, and 3,443 total square feet. Built in 1981, the home features a metal roof installed in 2021 and hardwood flooring throughout many of the main living areas. The kitchen offers abundant wood cabinetry, generous counter space, a large center island with a gas cooktop and vent hood, and an adjoining dining area. The spacious living room is highlighted by oversized windows, exposed ceiling beams, recessed lighting, and multiple ceiling fans. A separate den or recreation room features wood-paneled walls and a brick fireplace, providing additional flexible living space. Exterior features include a covered front porch, an expansive covered rear porch, a spacious yard with mature trees, and a detached two-bay outbuilding offering additional storage or workspace. All measurements and square footage are approximate and should be verified.
