Description

Welcome to this completely renovated five-bedroom, four-bath home in the desirable Pine Lakes golf community, offering about 3400 heated and 4200 total square feet on nearly half an acre, just a short walk or golf cart ride to the beach. Every detail has been thoughtfully updated — electrical, plumbing, HVAC & tankless gas water heater. Hardwood floors throughout, custom cabinetry, and designer fixtures. The showstopping kitchen features Thor appliances, gas range, quartz countertops, backsplash, and shelving, custom arched range hood, and a dry bar with beverage fridge (full-size Thor refrigerator included). The living room impresses with a vaulted wood ceiling and opens to a screened porch overlooking the private backyard. The spacious laundry room includes a washer and dryer, ample cabinetry and countertop space, a utility sink, and access from the garage and side yard. The primary suite offers a tray ceiling, oversized walk-in closet, a spa-like bath with dual vanities, freestanding tub, dual shower, water closet, and sauna. One secondary bedroom also includes an en-suite with a tiled shower. Each bedroom is finished with elegant frosted glass doors and carefully selected designer hardware. Outside, enjoy a circular driveway, two-car garage, and plenty of parking on a private .45-acre lot without an HOA. The expansive backyard offers ample room to create a private outdoor retreat complete with entertaining areas, a pool deck, or even a guest house. Located near the historic Pine Lakes Country Club, which offers golf and social membership opportunities with access to club amenities including a pool. Minutes from the ocean!
