- Low Rise

Description

Welcome to easy coastal living with a front-row view of the Gary Player Golf Course at Blackmoor! This beautifully maintained 2-bedroom, 2-bath condo has been enjoyed exclusively as a vacation home—never rented. Vaulted ceilings and an open living and dining area create a bright, spacious feel, while the split-bedroom design provides privacy for owners and guests. One of the highlights is the generous screened porch overlooking the 1st fairway—the perfect spot for morning coffee, an afternoon book, or an evening glass of wine. A convenient private storage closet off the porch provides plenty of room for beach chairs, golf gear, and seasonal items. The primary suite enjoys golf course views and features a private bath with double sinks and a garden tub/shower combination. Hardwood and tile flooring complement the main living spaces, and a full-size washer and dryer are included. Enjoy the community pool located just across the parking area, plus the convenience of an HOA that includes water and sewer, pest control, termite bond, building insurance, common area maintenance, exterior power washing, and pool access. Major updates include a NEW roof in 2025 and HVAC replaced in 2019, with NO pending assessments. Ideally located in Murrells Inlet near dining, shopping, beaches, state parks, the MarshWalk, and outstanding golf. Whether you're looking for a primary residence or a relaxing coastal getaway, this condo is ready for its next owner. Motivated sellers—come take a look! No elevators in building. Buyer is responsible for verification of square footage.
