Description

Looking for country living with acreage, no HOA and plenty of room for your RV, boat, vehicles and other toys? Welcome to 5976 Pleasant Grove Road in Walterboro, SC. This 2022 Clayton Homes Anniversary Edition home offers 3 bedrooms, 2 bathrooms and 1,216 square feet on 3.3 partially wooded acres, along with a large detached garage/workshop, 50-amp RV hookup and additional storage. Inside, large windows bring plenty of natural light into the living space, where wood-style beams, an electric fireplace and built-in shelving add warmth and character. The kitchen features a spacious island with butcher block countertop, an oversized stainless steel sink and stainless steel refrigerator. The primary suite includes a walk-in closet and private bath with a soaking tub, walk-in shower, and double vanity. Details such as decorative cabinet trim and built-in features throughout the home give this Anniversary Edition model a little something extra. Outside, there is even more to love. Spend your mornings or evenings on the deck under the pergola overlooking the peaceful property. Raised garden beds are ready for vegetables and herbs, with plenty of additional acreage to expand your outdoor plans. Need room for hobbies, projects or equipment? The 22x40 detached garage/workshop offers an incredible amount of usable space for cars, motorcycles, boats, woodworking or other projects. An additional storage container means even more room for seasonal decor, tools and everything else you would rather keep out of the house. RV owners will appreciate the 50-amp RV hookup, providing a convenient place for your RV or visiting guests while still allowing everyone their own space. With 3.3 partially wooded acres and no HOA, there is room to spread out, enjoy the privacy and make the property your own. Enjoy the quieter pace of country living while remaining within reach of downtown Walterboro, I-95 and the greater Charleston and Lowcountry area. If a home with acreage, a large garage or workshop, RV hookup, extra storage and no HOA is on your wish list, 5976 Pleasant Grove Road deserves a closer look.
