Description

NICHOLTOWN CHARMER WITH LOCATION, STYLE & ZERO FUSS! If you want to be close to the action without paying the downtown price, stop reading and book a tour. This exceptionally clean 2-bedroom, 2.5-bath home puts you minutes from the Swamp Rabbit Trail, Laurens Road restaurants, downtown Greenville, and everything that makes this side of town so attractive. Inside, the open main level delivers the kind of easy living buyers want today, with laminate hardwood-style flooring, a roomy foyer, a bright living area, and a kitchen featuring granite countertops, stainless appliances, and a pantry smartly tucked beneath the stairs. Upstairs, both bedrooms offer their own appeal, including a primary suite with a generous walk-in closet and private bath, while the second bedroom enjoys its own ensuite. Outside, the fenced side and rear yards give your four-legged crew room to roam, while the covered front porch is made for morning coffee or winding down after work. A rare double parking pad for this neighborhood means, no driveway shuffling. Eight old, this home is clean, lives modern but feels homey. Its been clearly cared for, and ready to go — just bring your bike, your dog, and your Greenville bucket list.
