Description

Welcome to 603 Burroughs St in Conway, SC, a Southern-style home offering character, comfortable living, and a convenient location within walking distance of Historic Downtown Conway. This 3-bedroom, 3.5-bathroom home features a welcoming blend of charm, functionality, and thoughtful features throughout. Inside, the home offers a spacious and functional layout with plenty of storage throughout. One of the standout features is the abundance of cabinet space, providing ample room to keep the kitchen organized while offering the storage space buyers are looking for. The pantry features distinctive barn doors, adding character and a unique touch to the space. The living room features a fireplace, creating a comfortable focal point for relaxing or gathering with guests. Another major feature of this home is the built-in generator, offering added convenience and peace of mind when power interruptions occur. This valuable feature provides an added layer of functionality that is especially appealing for homeowners looking for a property equipped for everyday living. Outside, the Southern-style home welcomes you with a front porch and also offers a nice back porch overlooking the fenced-in backyard. The backyard provides space to enjoy the outdoors and features a firepit area, creating an inviting spot for gatherings or relaxing evenings. A detached outdoor structure provides additional flexibility for storage, hobbies, or other uses. The location is hard to overlook, with Historic Downtown Conway within walking distance. Enjoy convenient access to local restaurants, shops, entertainment, community events, and the Conway Riverwalk, all while being just a short drive from the greater Grand Strand area. With its Southern-style character, generous cabinet storage, built-in generator, fireplace, barn-door pantry, front and back porches, fenced backyard, firepit, and detached outdoor structure, 603 Burroughs St offers a distinctive home in a convenient Conway location.
