Description

It's becoming harder and harder to find nearly an acre on Johns Island without the restrictions of an HOA. Whether you're looking for room for your boat, RV, or simply the privacy that newer subdivisions can't offer, this property delivers. Built in 2014, this beautifully crafted one-story Craftsman home offers 3 bedrooms, 2 bathrooms, hardwood floors, 9-foot ceilings, granite countertops, a detached garage, and a peaceful setting that's just minutes from everything Johns Island has to offer. Not to mention the public boat landing close by. Situated in an X flood zone, this property is rare and premier. Come see what HOA neighborhoods can't offer - privacy and freedom.
