Description

Welcome to Craftsman charm in the highly sought-after master-planned community of Lake Carolina. This beautifully crafted 3-bedroom, 2.5-bathroom, two-level townhome offers the perfect blend of comfort, function, and modern design. A rare one-car attached garage provides added convenience, storage, and everyday ease. The main level features a thoughtfully designed kitchen with quartz countertops, abundant cabinetry, and a large island with seating for 3–4, creating an ideal space for cooking, gathering, and entertaining. Luxury vinyl plank flooring flows seamlessly throughout the open-concept layout, connecting the kitchen and living areas with a bright, cohesive feel. The spacious living room offers an inviting setting for relaxing or hosting guests, with an easy flow into the dining area that enhances everyday livability. Step outside to the main-level patio—perfect for grilling, outdoor dining, family gatherings, or quiet evenings at home. Upstairs, the expansive primary suite serves as a private retreat with generous space, a large walk-in closet, and an en-suite bath designed for comfort and convenience. A well-appointed loft provides flexible space for a second living area, home office, or media room. Two additional large bedrooms each feature ample sized closets, offering excellent storage and functionality. A standout benefit of this home is the HOA-covered maintenance package, which includes termite bond coverage, exterior maintenance, roof upkeep, and landscaping.
