Description

What if your place at the beach was this easy? Welcome to 613 14th Avenue South #30 in the Ocean Pines I complex in Surfside Beach, a 2-bedroom, 2-bath townhome made for laid-back coastal living. Pack a bag, grab the golf cart, and head to the beach for a morning walk, spend the afternoon by the community pool, play a round of tennis, or come home and unwind on your own private courtyard patio. This is the kind of place where weekends feel longer and life moves just a little slower. Inside, the home is move-in ready and easy to maintain, exactly what you want in a second home at the beach. The comfortable two-bedroom, two-bath layout gives you room for family and friends while still feeling like your own coastal retreat. The upstairs loft/office provides additional flexible space for working remotely, reading, or accommodating beach-weekend overflow. And unlike many properties this close to the beach, short-term rentals are not permitted, offering a more residential feel without the constant turnover of weekly vacation guests. Enjoy your own piece of Surfside Beach, get to know your neighbors, and come back year after year to a place that truly feels like home. Surfside Beach is minutes from local restaurants, shopping and everyday conveniences. Myrtle Beach International Airport, the Murrells Inlet MarshWalk, Market Common and everything the Grand Strand has to offer are all within easy reach. Whether you're looking for a weekend escape, seasonal getaway, or full-time home near the coast, this townhome puts the best parts of the Surfside Beach lifestyle within easy reach. Beach days, golf cart rides, afternoons by the pool, tennis with friends, and evenings on the patio - this is your opportunity to make life at the beach part of everyday life.
