Description

6156 Badham Drive offers a rare chance to own nearly 3/4 of an acre (.74) with incredible potential for future development. The existing cinderblock structure is being sold as-is, the value being in the land. Centrally located with great visibility and access, this property is currently zoned residential but may be a prime candidate for commercial use. Whether you're looking to build your dream project from the ground up or hold onto a valuable piece of land in a growing area, this is an investment opportunity you don't want to miss.
