Description

Tucked inside the highly sought-after Ocean Pines community, this stunning 2-bedroom, 1.5-bath end-unit townhome makes coastal living feel effortless. Just a quick golf cart ride to the sand, you can start your mornings with your toes in the ocean and still be home in time to enjoy coffee on your own private, fenced patio---perfect for peaceful mornings or unwinding after a day at the beach. Inside, the home has been thoughtfully updated with new ceramic tile downstairs and pergo flooring upstairs, giving it a fresh, modern feel while keeping things low-maintenance and durable for beach life. The kitchen has been completely refreshed with brand-new cabinets, solid butcher block countertops, and new stainless steel stove and microwave, creating a bright, inviting space that feels both stylish and functional. The layout is comfortable and easy to love. Both bedrooms are upstairs, featuring vaulted ceilings, ceiling fans, and walk-in closets that make the rooms feel open, airy, and relaxing---your own retreat after a sunny day along the coast. As an end unit, you'll enjoy extra privacy and additional natural light that truly sets this home apart. Ocean Pines offers a laid-back lifestyle with a low HOA and amenities you'll actually use---community pool, tennis and pickleball courts, private courtyard spaces, walking trails, dog parks, and playgrounds. Even better, this home is not located in a flood zone, giving you added peace of mind along with those beachy vibes. Whether you're searching for a full-time coastal home, a weekend getaway, or an investment opportunity near Surfside Beach, this one checks all the boxes. Close to shopping, dining, and everything the area is known for, this is beach life made simple---comfortable, updated, and ready for you to enjoy!
