Style

- Traditional

Description

Nestled in one of Moncks Corner's most desirable communities, this beautifully maintained home welcomes you with a quintessential front porch -- the perfect spot for enjoying quiet evenings outdoors. Step inside to find gorgeous hardwood floors in a natural tone flowing throughout the main level. The spacious foyer leads to a flex space or home office on the right, while continuing toward the heart of the home, abundant natural light cascades through and beautifully complements the home's neutral palette. The kitchen is a showstopper, featuring timeless cabinetry, elegant granite countertops, and modern stainless steel appliances including a gas range. Ceramic tile backsplash and designer cabinet hardware add a touch of sophistication, while the generously sized island offers seating for three barstools, perfect for casual dining or entertaining. Thoughtful design touches and upgrades set this home apart at every turn. A separate dining space sits between the kitchen and living room, where a stunning color-changing fireplace serves as the living room's dramatic focal point. Downstairs, retreat to the spacious owner's suite, fully remodeled with custom oak-toned cabinetry, a freestanding soaking tub, a custom-tiled shower, and added storage for a style all its own. The owner's closet boasts custom built-ins, making storage effortless. This level also offers abundant additional storage, a beautifully redone powder room, and a true showstopper of a laundry room with plentiful storage space. Upstairs, you'll discover a giant loft currently used as a second living room and media space -- with endless potential to become whatever suits your lifestyle. Three secondary bedrooms and a fully remodeled secondary bathroom round out the upper level, delivering the "wow factor" that new construction simply can't match. The outdoor living space is truly to die for. A large screened-in porch with custom roll-down curtains flows out to an added deck with an outdoor kitchen and awning, ideal for alfresco dining and entertaining. A custom fire pit with string lights, natural rock accents, and a retaining wall creates the perfect gathering spot, while a whimsical wildflower garden adds charm. The fully fenced yard backs to woods for ultimate privacy, and simple, well-placed landscaping delivers big curb appeal. Foxbank Plantation is one of the most sought-after communities in Moncks Corner, offering resort-style amenities including a lakefront pool, playground, gathering spaces, dog park, docks, and a 60+ acre lake. With prime access to shopping, dining, top schools, and major highways, this home offers the perfect blend of luxury, comfort, and convenience.
