Description

RARE FIND IN TREE TOP SOUTH! Welcome to this beautifully updated 3-bedroom, 3-full-bath home tucked away on a cul-de-sac in the highly desirable Tree Top South section of Island Green. Located in the heart of the South Strand, this home offers a great combination of space, updates, and location, making it a great option for a primary home, second home, or investment property. From the moment you walk inside, you'll notice the updates throughout. The flooring has been updated, all three bathrooms feature modern finishes, and the completely renovated kitchen is a standout with granite countertops, new cabinetry, and an open layout that makes the space perfect for cooking and entertaining. One of the best features of this home is the layout. The main level includes a bedroom, full private bathroom, and spacious living room with a wood fireplace, giving you plenty of flexibility for guests, an office, or even multigenerational living. Upstairs, you'll find two additional bedrooms, each with access to its own full bathroom, along with another large living area featuring a second gas fireplace and the beautifully updated kitchen. Outside, the deck provides a great spot to enjoy your morning coffee, fire up the grill, or relax and take in the Low Country surroundings. The location is hard to beat, with Surfside Beach, Murrells Inlet MarshWalk, Garden City Beach, and Huntington Beach State Park all just minutes away. Homes in Tree Top South don't come available often, and finding one with this type of layout and updates makes this an opportunity worth taking a look at. Schedule your showing today!
