Description

The Windermere floorplan offers a refined two-story design tailored for both comfort and style. With three spacious bedrooms and three and a half bathrooms, this home is an ideal fit for families or those seeking extra room for guests. The primary suite, located on the second floor, features an expansive walk-in closet and a spa-like en suite bathroom, creating a serene retreat. The first floor is designed for seamless living and entertaining. The open-concept layout connects the kitchen, dining area, and living space, providing a warm and inviting atmosphere. The kitchen boasts ample counter space, modern appliances, and plenty of storage, ensuring practicality and style. A convenient half bathroom on the main level is perfect for guests. Upstairs, the additional bedrooms each feature their own private bathrooms, offering a blend of privacy and convenience for all residents. A versatile loft space provides flexibility, perfect for a media room, home office, or additional living area. The Windermere floorplan's thoughtful layout and attention to detail ensure it meets the needs of today's homeowners while maintaining a sophisticated aesthetic.
