Description

Welcome to 65 Music Lane, an exceptional opportunity to own a beautifully crafted single-story Craftsman home situated on a breathtaking 11-acre private estate. Built just two years ago, this 4-bedroom, 2.5-bath residence perfectly blends refined modern finishes with the tranquility of rural living, offering an extraordinary lifestyle without sacrificing convenience. A long private driveway welcomes you to this secluded estate, creating a peaceful arrival that sets the tone for the privacy and serenity found throughout the property. The inviting covered front porch, complete with a charming porch swing, provides the perfect place to enjoy quiet mornings, breathtaking sunsets, and the beauty of the surrounding landscape. Inside, you'll discover an expansive open-concept floor plan for both everyday comfort and elegant entertaining. Sunlight pours through oversized windows, highlighting the luxury vinyl plank flooring and creating bright, welcoming living spaces that flow effortlessly from one room to the next. The kitchen is truly the centerpiece of the home, showcasing custom white cabinetry, beautiful granite countertops, stainless steel appliances, an oversized island, and generous prep space. Whether preparing family dinners or hosting holiday celebrations, this thoughtfully designed space combines style, functionality, and warmth. Adjacent dining and living areas create an inviting atmosphere where family and friends naturally gather. The owner's suite is a peaceful sanctuary featuring vaulted ceilings, generous proportions, and scenic views of the surrounding property. The luxurious ensuite bath offers dual granite vanities, a soaking tub, a separate walk-in shower, and a spacious walk-in closet, creating a spa-like escape within your own home. Three additional bedrooms provide versatility for family members, overnight guests, remote work, or hobby rooms. A well-appointed secondary bath with dual sinks, an oversized laundry room with exterior access, and a conveniently located powder room enhance the home's practical design. Beyond the back door, the property continues to impress. A spacious concrete patio overlooks the expansive backyard, creating the ideal setting for outdoor dining, entertaining, or simply relaxing in complete privacy. Raised garden beds are already in place, while the surrounding acreage provides endless opportunities for recreation, gardening, horseback riding, hunting, walking trails, or simply enjoying the peaceful countryside. What makes this estate especially unique is the incredible flexibility it offers for the future. The property includes additional wells and septic systems already on site, making it an ideal opportunity for those dreaming of a private family compound, guest cottages, multigenerational living, workshops, barns, or additional homes. With two separate entrances, access throughout the property is convenient while adding tremendous value and development potential. Whether your vision includes bringing horses, recreational vehicles, boats, campers, or creating your own private retreat, you'll appreciate the freedom that comes with owning acreage without HOA restrictions. Here, there is space to expand, room to breathe, and the opportunity to build a legacy that can be enjoyed for generations. Properties of this caliber are increasingly difficult to find, a nearly new Craftsman home positioned on 11 secluded acres, offering existing infrastructure for future expansion, remarkable privacy, and a location that provides easy access to I-95 while remaining surrounded by nature. 65 Music Lane is more than a home; it's an invitation to slow down, spread out, and create the lifestyle you've always imagined. Welcome to your own private estate in the heart of the Lowcountry. Added Peace of Mind: This new home comes with a 2-10 Home Warranty.
