Description

Just five blocks from the beach with no HOA! Enjoy the laid-back Surfside Beach lifestyle from this classic all-brick, one-level home offering plenty of space, privacy, and flexibility. Situated on a .24-acre lot with mature trees, this established home offers timeless brick construction, a relaxed coastal cottage feel, and a location that is hard to beat. Inside, the spacious living and dining area features a wood-burning fireplace and provides a comfortable central gathering space. Two bedrooms and a full bath are located on one side of the home, while the opposite side offers a private and flexible living arrangement. Here, an additional room with its own full bath and walk-in closet offers the potential for a primary suite, guest suite, home office, or hobby room. Just outside this room is the approximately 22' x 18' converted garage, providing a second living area and creating even more possibilities for this side of the home. Whether used for guests, extended living space, or simply room to spread out, the layout offers a level of flexibility and separation that is hard to find. Outside, the generous .24-acre lot offers plenty of room to enjoy the coastal setting, with mature trees providing welcome shade and privacy. A detached shed adds valuable storage for a golf cart, beach gear, tools, or workshop space. Located in the golf cart-friendly Town of Surfside Beach, the home is convenient to the beach, local restaurants and shops, the library, and Surfside's charming downtown area. Myrtle Beach and Murrells Inlet are also just a short drive away, putting even more dining, shopping, golf, and Grand Strand attractions within easy reach. Whether you're looking for a primary residence, second home, or your own place near the ocean, 655 5th Ave N combines the character of an established all-brick home, convenient one-level living, flexible space, no HOA, and an exceptional location just five blocks from the beach!
