- No Basement

Description

Rare opportunity to own one of Lake Murray's premier point lots. Surrounded by water on three sides and offering approximately 730 feet of shoreline, this exceptional 0.641-acre property captures breathtaking big water views while also enjoying the protection of a quiet cove. A private boat ramp, stationary dock with floating dock, and remote-controlled boat lift complete this remarkable waterfront setting. The beautifully remodeled 3-bedroom, 2.5-bath home is designed to maximize the views, with Lake Murray visible from every room. Extensive renovations include new electrical and plumbing, new windows and exterior doors, updated siding, an enlarged kitchen with granite countertops and new appliances, renovated bathrooms, LVP flooring throughout, an added sunroom, and much more. A complete list of improvements is under documents. Whether you're looking for a move-in-ready waterfront retreat, a forever home, or a property with exceptional long-term potential, opportunities like this are incredibly rare. Properties offering this combination of a premier point lot, expansive shoreline, breathtaking views, and exceptional waterfront amenities seldom become available on Lake Murray.
