Description

This home has been thoughtfully updated with several improvements. New roof 2023, tankless water heater 2024, all new windows 2025, newly sodded backyard 2025, new countertops 2026, newer HVAC to list a couple. These updates provide a great combination of comfort, efficiency, and peace of mind for the next owner. Beyond the home itself, one of the things the current owners have loved the most is the neighborhood and sense of community. Warm and welcoming neighbors help make this a place that truly feels like home. Conveniently located near Forest Acres, Fort Jackson, shopping, dining, and everyday conveniences.
