Description

Welcome to 695 Greta Loop in the established, amenity-rich community of Berkshire Forest! This stunning 4-bedroom, 2.5-bath home offers over 3,000 heated square feet of beautifully designed living space with custom finishes and thoughtful upgrades throughout. From the moment you walk in, you'll notice the custom crown molding and trim work throughout the first floor, along with a formal dining room and versatile flex space that can easily serve as a playroom, library, or home office. The heart of the home is the gorgeous gourmet kitchen, complete with an oversized island, beautiful cabinetry, quartz countertops, tiled backsplash, upgraded appliances, and a spacious butler's pantry with a wine/beverage center. The kitchen opens to the inviting living room, featuring a stunning tiled fireplace and oversized sliding glass doors that lead directly to the screened-in porch. Beyond the porch, the backyard offers something truly special, a private wooded preserve with no homes directly behind you, creating a peaceful backdrop and a level of privacy that is hard to find. The first-floor owner's suite features a beautiful tray ceiling, luxurious tiled shower, and an expansive walk-in closet with custom built-in organization. Upstairs, you'll find three additional generously sized bedrooms, a large loft with its own balcony and a spacious walk-in attic storage area. Berkshire Forest offers incredible amenities featuring two pools, lazy river, playground, and community lake with a dock, all while being conveniently located near shopping, dining, schools, hospitals, and everything the Grand Strand has to offer. Beautifully finished, incredibly spacious, and privately tucked against the trees, 695 Greta Loop is one you'll want to see in person!
