Description

Stunning 4-Bedroom, 3-Bathroom Two-Story Home with Flexibility and Elegant Finishes Welcome to this beautifully designed two-story, 4-bedroom, 3-bathroom home, offering exceptional comfort, function, and style in every square foot. With a 2-car garage and thoughtful design throughout, this home is a perfect blend of everyday livability and elevated living. Step inside to discover abundant natural light pouring in through numerous windows, creating a warm, inviting ambiance. Just off the entryway, a spacious flex room awaits — ideal for a formal dining room, home office, or cozy sitting area. At the heart of the home, you'll find an expansive open-concept great room, kitchen, and dining area that invites both entertaining and family connection. The chef-inspired kitchen boasts sleek quartz countertops, an oversized island, stainless steel appliances, a walk-in pantry, and a stunning Butler's pantry with a tile backsplash—a dream for anyone who loves to cook or entertain. The main level also offers a private guest bedroom and full bathroom, perfect for visitors or multigenerational living. Upstairs, retreat to your grand owner's suite, complete with a tray ceiling, cozy sitting room, massive walk-in closet, and luxurious ensuite bath. The spa-like bathroom features dual vanities, a tile shower, linen closet, and a private water closet, offering comfort and seclusion. Conveniently, the laundry room. Separated by a spacious loft-style second living area, two additional bedrooms and a shared full bath offer privacy and functionality—ideal for family members or guests. Step outside to enjoy the screened-in porch, perfect for unwinding in the evenings while soaking in those breathtaking Carolina sunsets. From the thoughtfully designed split-bedroom layout to the luxurious upgrades and abundant natural light, this home offers everything you need — and more. Don't miss your opportunity to make this incredible space your own! This is America's Smart Home! Each of our homes comes with an industry leading smart home technology package that will allow you to control the thermostat, front door light and lock, and video doorbell from your smartphone. *Photos are of a similar Harbor Oak home.
