Description

Welcome to island living in the heart of Daniel Island! Ideally located within walking distance or a quick golf cart ride to the island's shops, restaurants, and everyday conveniences, this 3-bedroom, 2.5-bath home combines classic Charleston charm with a flexible floor plan and a truly unique bonus feature: a separate apartment above the detached garage. From the moment you arrive, the welcoming front porch sets the tone, offering plenty of room for seating and enjoying the relaxed pace of Daniel Island living. Inside, the main level features a dining room to the left that connects conveniently to the kitchen. Continue into the home and you'll find a comfortable living room filled with natural light and centered around a cozy fireplace with beautiful built-in shelving and cabinetry on either side. The living room flows seamlessly into the kitchen, creating an inviting space for both everyday living and entertaining. The kitchen offers plenty of counter and cabinet space, convenient bar seating, and stainless steel appliances, including a gas range. Large windows throughout the living and kitchen areas bring in an abundance of natural light, creating a bright and welcoming atmosphere. Upstairs, the primary suite provides a comfortable private retreat with plenty of natural light, two closets featuring built-in shelving, and a well-appointed ensuite bath with a double-sink vanity and large walk-in shower. The two secondary bedrooms are similar in size and share access to the second full bathroom. Step outside to enjoy the back porch, another inviting spot with plenty of room for seating and relaxing outdoors. From the front porch to the rear porch, the home's outdoor spaces add a wonderful touch of Charleston character and provide the perfect places to enjoy morning coffee, an evening beverage, or time with friends. One of the home's standout features is the detached garage with a fully finished apartment above. This separate living space includes a large living area, full bathroom, laundry hookups, and its own spacious kitchen complete with a farmhouse-style sink and stainless steel appliances. Whether you're looking for a comfortable setup for multigenerational living, a private space for guests, or an opportunity for additional rental income, this apartment offers exceptional flexibility. And then there's the Daniel Island lifestyle. Spend the morning grabbing coffee, hop on the golf cart for lunch or dinner, take a walk or run along the island's scenic trails, or catch an event at Credit One Stadium. Daniel Island Golf & Country Club and the island's collection of local shops and restaurants are all part of the community's appeal, while downtown Charleston and nearby beaches are just a short drive away. With its classic Charleston-style porches, inviting interior, prime Daniel Island location, and separate apartment offering endless possibilities, this home provides a unique opportunity to enjoy the convenience, charm, and lifestyle that make Daniel Island such a special place to call home.
