Description

Welcome to 725 Coriander Road! Tucked within Cobblestone Golf Club, one of the Midlands' most sought-after golf communities, this beautifully appointed home blends timeless elegance with everyday comfort. Surrounded by rolling fairways and resort-style amenities including a pool, clubhouse, fitness center, and acres of pristine golf course, this is a lifestyle as much as it is a home. From the moment you step onto the covered front porch and into the grand entryway, you're welcomed by soaring ceilings and gleaming engineered hardwoods that set the tone. Just off the foyer, a formal living room offers flexibility as a refined study, while the formal dining room impresses with coffered ceilings and detailed molding, an ideal backdrop for gatherings both intimate and grand. At the heart of the home, the open-concept kitchen and living area are designed for connection and ease. The kitchen features a generous granite island with seating, tiled backsplash, double ovens, stainless steel appliances, and thoughtful lighting, all flowing seamlessly into the light-filled living room. Here, a gas fireplace anchors the space, while expansive windows frame peaceful views of the backyard. Privately situated on the main level, the primary suite provides a quiet retreat with a spacious walk-in closet and a well-appointed ensuite complete with a soaking tub, oversized granite vanity, walk-in shower, and private water closet. A secondary bedroom and full bath on the main floor provide comfortable accommodations for guests, while the nearby laundry room adds everyday convenience. Upstairs, two oversized bedrooms each enjoy their own private bathrooms with granite vanities, creating comfort and independence. A generous landing is the perfect space for a playroom, media area, or home office, while ample storage throughout ensures everything has its place. Explore the backyard and discover your own oasis, where a screened porch, complete with electricity, extends your living space year-round. The brick patio with a built-in grill invites effortless entertaining, all set within a fenced yard surrounded by lush greenery and room to unwind. Disclaimer: CMLS has not reviewed and, theref
