Description

The Forrester is one of our most popular floor plans! When you first enter the home there is a gorgeous 2-story foyer with a catwalk overlooking the entry! You will pass by the elegant formal dining room with tray ceiling as you head into your great room and oversized kitchen. The kitchen features one of our largest islands measuring in at nearly 10' long! It also boasts a ton of storage with 36" painted cabinets and quartz countertops. Lastly, on the first floor is a bedroom and full bath that is great for guests or can double as an office space. Head upstairs to your master suite with tray ceiling which features a large walk-in closet and ensuite bathroom with a 5' shower, linen closet and spacious double vanity. Two additional bedrooms with a full bath in between are across the catwalk. One of the best features of this home is the huge bonus room with a closet over the garage which could serve as another bedroom! Enjoy the coastal air from the screened back porch as you wind down in the evening! This is America's Smart Home! Each of our homes comes with an industry leading smart home technology package that will allow you to control the thermostat, front door light and lock, and video doorbell from your smartphone. *Photos are of a similar Forrester home.
