Description

Beautiful acreage opportunity in Hidden Acres, a unique Pelzer community offering privacy, open space, and limited protective covenants. This tract features a desirable mix of cleared pasture, mature hardwoods, and scenic natural surroundings, creating an excellent setting for a custom home, mini farm, private retreat, or equestrian use. Horses are allowed, and the open homesite area provides a strong starting point for future building plans while leaving room for barns, gardens, animals, recreation, and outdoor living. One of the most unique features of Hidden Acres is the community hiking trail, giving residents access to an added outdoor amenity right within the neighborhood. A rare opportunity to own usable acreage with pasture, woods, flexibility, and room to bring your vision to life.
