Description

Just about 25 minutes down Highway 56 from downtown Spartanburg, this welcoming 3-bedroom, 2-bath single-story ranch offers a quieter setting on nearly an acre. Inside, the bright, easy-to-maintain layout features open living and dining spaces, an updated kitchen with ample cabinetry, open shelving, pantry storage and an included refrigerator, plus a split-bedroom design that gives the primary suite added privacy. Many of the bigger updates have already been handled, including replacement windows in 2023, a new HVAC system and gutters in 2024, crawlspace and insulation barrier work in 2024, and a roof replaced in 2018. Outside, enjoy the covered front porch, rear deck, large yard and storage building with an attached covered area.
