Description

PRICE REDUCTION ON THIS Stunning Custom Home on Over Half an Acre in a Peaceful Rural Setting Welcome to this incredible three-bedroom, three-full-bathroom home featuring over 3,100 square feet of heated and cooled living space. Perfectly positioned on more than half an acre, the property backs up to a serene horse pasture, providing both privacy and picturesque views. The beautifully updated custom kitchen is a standout feature, complete with gorgeous cabinetry, an apron-front farmhouse sink placed beneath a sun-filled window, stainless steel appliances including wall ovens, and two dishwashers for added convenience. A spacious peninsula bar with room for seating is accented by stylish pendant lighting—perfect for entertaining or casual dining. The main level includes three generously sized bedrooms and an open, functional layout. Upstairs, you'll find a versatile loft ideal for a home office, a massive media room, a large recreation area, and a full bath—providing flexible space to suit your lifestyle. Additional highlights include both an attached two-car garage and a separate detached two-car garage with its own private driveway. Recent upgrades bring peace of mind: a new architectural shingle roof (April 2025), a brand-new deck (April 2025), and fresh carpet (March 2025). If you've been searching for a spacious, custom-built home in a tranquil country setting—this property belongs at the top of your list. Schedule your private tour today!
