Description

Income-producing duplex on 8+ private acres in Easley with no HOA. This all-brick property has over 3,000 square feet and was expanded in 2020 to create two fully separate units. Each unit has its own bedrooms, bathrooms, kitchen, and living space, providing immediate rental income and strong investment potential. Both units feature desirable finishes such as hardwood floors, granite countertops, and fireplaces, along with major system updates including newer HVAC, roof, and tankless water heater, helping minimize maintenance costs for investors. The expansive acreage, complete with mature trees and a creek, provides additional value-add opportunities, including potential expansion, future development, or increased rental income streams. Additional amenities include a circular driveway, unfinished basement, powered workshop, and multiple outbuildings. Conveniently located near shopping, schools, and major highways, this property combines steady income with long-term growth potential. Currently generating rental income. Private showings by appointment only. Advance notice required.
