- Two Car Garage

Description

Welcome to this beautifully crafted home situated on a spacious 1.43 acre lot with no HOA, offering the perfect combination of privacy and freedom. Plenty of room for an RV garage, detached garage, workshop and/or pool. This thoughtfully designed home features a bright, open layout with stylish finishes throughout. The kitchen is a standout with quartz countertops, upgraded shaker-style cabinetry with soft-close drawers, and modern black hardware and fixtures for a clean, contemporary look. Durable luxury vinyl plank flooring flows throughout the main living areas, complemented by crown molding and detailed trim work that adds a polished touch. The exterior offers excellent curb appeal with low-maintenance Hardie siding, stone accents, and inviting covered porches featuring warm wood ceilings, perfect for relaxing or entertaining. Located just minutes from downtown Conway and a short drive to Myrtle Beach, this home provides convenient access to shopping, dining, golf, and the beach while still enjoying a quiet, residential setting. A rare opportunity to own a quality-built home on acreage with no HOA restrictions. Ask about others the builder has built. Photos are of a similar model that will have the same specs. A new round-about as seen in one of the photos will be developed as per Horry County. That will significantly decrease traffic flow for ease of getting on and off the highway. Estimated Completion date September 2026.
