The home offers four bedrooms and two full baths on the main level, including a privately situated primary suite with a large walk-in closet, separate soaking tub and walk-in shower. Three additional bedrooms are located on the opposite side of the home, creating a layout that provides separation and privacy. One of the home's standout features is the large flex room complete with built-in cabinetry and enough space to serve as a home office, media room, playroom, hobby space, or potential fifth bedroom. Outside, enjoy a level fenced backyard, underground irrigation and an attached two-car garage.
