Description

RARE TWO-STORY FLOOR PLAN + PREMIUM WOODLANDS LOCATION! This 2BR/2.5BA townhome-style condo offers a floor plan you won't find in most units at The Woodlands of Clemson. The main level features the living room, kitchen, laundry, private balcony and a convenient guest half bath, while upstairs you'll find two spacious bedrooms, each with its own private full bath. The two-story design provides added privacy and separation between living and sleeping spaces. Even better is the LOCATION—at the FRONT of the community directly across from the clubhouse and resort-style pools, putting some of The Woodlands' best amenities just steps from your door. Located approximately two miles from Clemson University, this gated community offers three swimming pools, clubhouse with study and entertainment areas, private theater, fitness rooms, basketball court, sand volleyball, dog park, pavilion and grilling areas. CATbus stops are located just outside the community, with shopping, dining and everyday conveniences nearby. Whether you're looking for a Clemson home, game-day retreat or investment property, Unit 123 combines a rare floor plan, desirable location and resort-style amenities. Schedule your private showing to experience everything this home has to offer.
