Description

High and level 4.92 acres on a tidal slew that leads out to Bailey Creek and St Pierre Creek. Property has beautiful hardwood trees surrounding multiple locations for your homesite. Septic permit in hand for up to a 5 bedroom home. Survey available as well. This property is near the end of the road in a quiet and peaceful area with well-maintained dirt roads. There is a small (old) shed on the property that will remain. Many years ago the former owners would drop in a crabbing boat off the edge of the yard around high tide into the tidal slew to get out to the 'big water'.
