Description

Get up to \$10,000 in closing cost with our lending partner. The Larch is thoughtfully designed to give you the space you need with a layout that makes sense. From the moment you step inside, the open-concept kitchen, dining area, and great room create a welcoming space for everyday life. Picture mornings at the kitchen island, meals in the dining area, and evenings spent gathered in the great room — all connected and easy to move through. The kitchen features a corner pantry and clear sightlines into the living area, while the rear patio extends your living space outdoors for grilling, relaxing, or hosting friends. Upstairs, the private primary suite gives a spacious walk-in closet and an ensuite bath with dual vanities and a walk-in shower. Three additional bedrooms provide flexibility for family, guests, or a home office, and the centrally located laundry room keeps everything within reach. If you're looking for a new home with open living space, functional storage, and a two-car garage, the Larch delivers comfort and practicality in a layout designed for real life. Located in the welcoming Canary Woods community, residents enjoy a peaceful neighborhood atmosphere with convenient access to Downtown Columbia, Fort Jackson, and Shaw Air Force Base, making commuting simple while keeping shopping, dining, and entertainment just minutes away. ****Stock Photos**** Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
