Description

Welcome to 91 The Cliffs Parkway, a stunning European inspired residence offering exceptional luxury and breathtaking panoramic views of the valley below. Located in The Cliffs at Glassy, this remarkable home blends old world craftsmanship with modern comfort, creating a refined yet peaceful mountain retreat. No expense was spared in the construction and design of this home. Rich architectural details such as hand scraped beams and custom trim add warmth and character throughout, while a 50 year cedar roof provides both beauty and long term durability. From the moment you enter the foyer, you are greeted by soaring vaulted ceilings, custom stonework, and expansive windows that fill the home with natural light and showcase the spectacular scenery. The spacious floor plan features four beautifully appointed bedrooms and four luxurious full bathrooms, each finished with high end materials and thoughtful design. The chef's kitchen is a true centerpiece of the home, complete with premium appliances, custom cabinetry, and a large island ideal for cooking, entertaining, and gathering with family and friends. Each bathroom offers a spa like retreat with elegant finishes and refined details. Additional features include a whole house generator for year round peace of mind and a temperature controlled workshop just off the garage, perfect for hobbies, projects, or additional storage. Step outside to your own private mountain oasis. A beautiful waterfall feature provides a soothing backdrop for outdoor living, while expansive terraces offer the perfect setting for morning coffee, quiet relaxation, or entertaining guests. The sweeping views of the rolling hills toward Greenville are simply unforgettable.
