## Description

This property has that "out in the country" feel but is only 1/2 mile from downtown Hampton! Flexible floor plan; the addition to the rear of the house could easily be used as an in-law suite if desired. The house does need a new roof, HVAC system and exterior trim and would benefit from some interior updating. This is a perfect opportunity to gain some sweat equity while getting the finishes of your choice! The house currently sits on a five acre parcel, one acre is being subdivided to be sold with the house.
