- High Rise

Description

Wake up to sweeping, unobstructed ocean views in this beautifully updated direct oceanfront condo—an exceptional opportunity for those who want the very best of coastal living. From both the living room and primary suite, walls of glass frame the shoreline, creating a light-filled retreat where the sound of the waves is always within reach. This meticulously maintained Sands Beach Club South Tower residence has been thoughtfully upgraded for style and comfort. The fully renovated kitchen is a standout, featuring granite countertops, stainless steel appliances, a striking marble backsplash, a Kraus chef's sink, and custom floor-to-ceiling cabinetry, all complemented by durable vinyl plank flooring and modern lighting. Crown molding and a crisp interior paint palette add a refined finish throughout. The guest bath has been completely reimagined with elegant ceramic tile, a beautifully tiled shower, and updated fixtures and cabinetry. A convenient laundry area with a stackable washer and dryer has been added just off the primary suite. Major systems—including the HVAC, thermostat, and water heater—were replaced in the fall of 2025, offering added peace of mind. Step outside to your private oceanfront balcony, accessible from both the living room and primary bedroom, and take in the panoramic coastal views. Beyond your door, enjoy resort-style amenities including indoor and outdoor pools, hot tub, tennis courts, volleyball, basketball, a fitness center, and on-site dining and bar options. There is great investment potential as a vacation rental and a 5+ year history is available. This is more than a condo—it's a turnkey beachfront escape designed for relaxation and effortless enjoyment.
