Description

This second floor, single story end unit with open floor plan is well lit, completely furnished and beautifully decorated. The kitchen countertops and tiled backsplash are a gorgeous accent to the gray cabinets. Also included are stainless steel appliances including a gas range and a breakfast bar. The primary bedroom includes a large walk-in closet and an ensuite bathroom with double vanity and a gorgeous, oversized glass enclosed shower. Being a split floor plan, the additional two bedrooms allow for privacy and can also be used as an office or an additional sitting room if you desire. A tankless gas hot water heater is an added bonus, so you never run out of hot water. The screened in porch at the back of the condo is very private and relaxing and includes an owner's storage closet perfect for beach chairs, golf clubs, etc. The property at the back of the condo and to the left of the condo can't be built on which is an added plus for privacy. This condo is conveniently located to the Marshwalk with several restaurants to choose from, shopping, medical facilities and golf. Schedule an appointment today. This beauty won't last long. All measurements and square footage are approximate and are the buyer or buyer's agent's responsibility to verify in addition to HOA information
