- Garage Door Opener

Description

Single-level living just 5 minutes from the popular Murrells Inlet MarshWalk and approximately 10 minutes from the beach! This move-in ready 2-bedroom, 2-bath home offers an open, light-filled floor plan with vaulted ceilings and plenty of flexibility to fit your lifestyle. The spacious living area provides room for a home office, additional sitting area or formal dining space, while the kitchen features all-new stainless steel appliances in 2026, a designated pantry as well as added pantry cabinetry for extra storage and LVP flooring extending through the kitchen and dining area. The spacious primary suite features a tray ceiling, double closets and a private ensuite bath with a beautiful step-in tile shower. The second bedroom is generously sized with its own vaulted ceiling, and a second full bath offers a tub/shower combination. Step outside to the privacy-fenced backyard where an expanded patio provides plenty of room for grilling, relaxing and outdoor entertaining. Buyers may consider modifying the rear fence line to take advantage of the pond view. The expanded driveway provides parking for up to three vehicles in addition to the attached one-car garage. During their ownership, the sellers have made numerous improvements including replacing all kitchen appliances, installing LVP flooring in the kitchen and dining area, adding carpet to both bedrooms, expanding the rear patio, extending the driveway, removing several trees and adding two large pantry cabinets for additional kitchen storage. Conveniently located in Murrells Inlet with easy access to dining, shopping, golf, medical centers, beaches and everything the Grand Strand has to offer!
