Description

TURN KEY, FIRST FLOOR, OCEAN VIEW LIVING ON SHORE DRIVE! A rare opportunity at a fantastic price point - imagine waking up steps from the beach, to the sounds of the Atlantic Ocean right outside your balcony and window. This 2 bedroom, 2 bathroom unit has never been used as a rental unit, and has been maintained like it too! LVP flooring was installed within the past year and runs throughout the unit, in addition to two new wall heating and cooling units that were just installed. The kitchen features beautiful cherry colored cabinets, stainless steel appliances, and plenty of space to dine in your condo. The living room provides access to your own private balcony where you can enjoy your morning coffee while listening to the sweet sounds of the ocean. Enjoy the convenience of a washer/dryer in the unit, so you never have to leave. There are two bedrooms with closets and room to host the whole family! The primary bedroom has its own private bathroom that was recently renovated with a new vanity, toilet, and mirror. The second bathroom features a tub/shower, and has also been recently renovated. This unit comes fully furnished - all you need are your beach toys and towels! A Place At The Beach is a fantastic oceanfront community located on Shore Drive in walking distance to the famous Apache Pier, Ocean Annie's, and all of Myrtle Beach's favorite vacation activities. The community features its own pool and hot tub, and a private access to the beach. This is great opportunity for investors (short and long term rentals are allowed!), for a second home, or if you're looking to permanently move to an ocean view condo! Schedule your showing today.
