Description

Welcome to 976 Saluda River Road, a beautifully maintained 5-bedroom, 3-bath home built in 2023 and offering approximately 2,645 heated square feet in The Lakes community. With generous room sizes, a flexible floor plan, and thoughtful features throughout, this move-in-ready home offers the comfort and versatility to fit a variety of lifestyles. A covered front porch welcomes you into the bright two-story foyer, where attractive LVP flooring continues into the main living areas. The separate dining room is ideal for hosting gatherings and could easily serve as a home office, study, or additional sitting area. From there, the open-concept living space creates an inviting setting for everyday living and entertaining, with abundant natural light flowing into the spacious kitchen. The kitchen is designed for both function and connection, featuring large quartz countertops, white cabinetry, a tile backsplash, stainless-steel appliances, a gas range, recessed and pendant lighting, a pantry, and an oversized island. A nearby drop zone by the garage provides a convenient place to organize daily essentials. The first-floor bedroom includes a closet and a nearby full bathroom, offering a comfortable option for guests, a home office, or multigenerational living. Upstairs, the spacious primary suite features a tray ceiling, a large walk-in closet, a spacious bathroom with a walk-in shower, and a separate water closet. Two additional bedrooms, another full bathroom, and a tiled laundry room complete the second level. An oversized fifth bedroom, measuring approximately 19'5" × 19'4", includes a closet and provides exceptional flexibility. Use it as a bonus room, media room, game room, home gym, second living area, or whatever suits you best. LVP, tile, and carpet flooring provide a practical mix of comfort and durability throughout the home. Step outside to enjoy the screened rear porch, extended patio, well-maintained lawn, and attractive landscaping. The approximately 0.20-acre homesite backs to the community common area, offering added separation and a spacious backyard with room to envision a future pool, outdoor kitchen, play area, or private green space. Additional features include gas heat, a two-car garage, a stone-accented and Hardie board exterior, and a covered front porch. This home also offers convenient access to the best of the Grand Strand. The Lakes is one of the few neighborhoods west of 17 Bypass where you can golf cart ride to Garden City Beach, while the Murrells Inlet Marsh Walk provides waterfront dining, live entertainment, and scenic inlet views. Huntington Beach State Park, Myrtle Beach State Park, and Brookgreen Gardens offer opportunities for outdoor recreation, nature exploration, and cultural experiences. Myrtle Beach International Airport is also within easy reach, along with the area's renowned beaches, golf courses, shopping, dining, and entertainment. Offering space, flexibility, and a relaxed coastal lifestyle, 976 Saluda River Road is ready to welcome you home. Schedule your private showing today!
