Description

Welcome to 978 Jamestown Rd in Conway! Tucked away on a spacious wooded lot, this 3-bedroom, 2-bathroom home offers a peaceful setting with plenty of privacy while still being just minutes from all that historic downtown Conway has to offer. From the moment you arrive, you'll appreciate the inviting feel of this property and the sense of comfort that makes it feel like home. Inside, you'll find numerous updates that make this home move in ready. Water resistant luxury vinyl plank flooring was installed throughout in 2022, along with fresh neutral paint and updated light fixtures and ceiling fans. The kitchen features newer appliances, including a refrigerator, dishwasher, and microwave. Major improvements include a new metal roof installed in 2024 and a new HVAC system in 2025, providing peace of mind for years to come. The outdoor space is one of the property's standout features. The wooded lot offers a private backdrop, while two storage sheds provide additional flexibility. The primary shed is equipped with electricity and air conditioning, making it ideal for storage, hobbies, or a workspace. Additional updates include refreshed landscaping, reinforced tub bottoms in both bathrooms, updated bathroom exhaust fans, and a transfer box for generator hookup. This home is also energy star rated home and very energy efficient! If you've been searching for a home that combines privacy, thoughtful updates, and a warm, welcoming atmosphere, 978 Jamestown Rd is ready for its next chapter.
