## Description

Enjoy the comfort and elegance of this expansive ocean-view residence offering nearly 1,850 square feet of total living space, including three separate decks. Each of the three bedrooms is exceptionally spacious—both guest bedrooms easily accommodate two queen beds, maximizing comfort and versatility. The home has been tastefully renovated and decorated throughout, featuring wood-like LVP flooring. The kitchen has been redesigned with an open-concept layout and showcases new granite countertops, custom cabinetry, a stylish backsplash, and stainless-steel appliances. The primary suite has also been opened up to create a spa-like retreat, complete with a large walk-in shower and stunning views overlooking Kingston. The unique lockout floor plan offers unmatched flexibility: use the residence as a full three-bedroom home or split it into a two-bedroom and a one-bedroom configuration—ideal for rental income or multi-use living. Ultimate flexibility meets coastal luxury. Kingston Plantation is a 145-acre, master planned community in the heart of Myrtle Beach. Kingston offers a combination of amenities and preserved natural environment that's unparalleled. One-half mile of white sand beach, twelve acres of freshwater lakes and mature trees, all surrounded by beautifully manicured grounds. The Plantation offers amenities such as a magnificent Spa and Fitness Center, four clay and hard surface tennis courts, four pickleball courts, multiple pools, badminton, croquet, beach volleyball and much more! Kingston offers a selection of one, two, three and four bedroom villas, townhomes, lakefront lodges and oceanfront high-rises through the community.
