Description

This 3.89 acre lot on Lake Greenwood offers ample space for building your ideal lake home. The land is mostly level with a gentle slope toward the lake, featuring 360 feet of road frontage and over 210 feet along the water. There is a driveway easement on the far right side of the property for an adjoining homeowner. Dock permits require approval from the county lake manager. Natural gas is available; there is an old septic tank (function not guaranteed) and a well will be needed. Perc tests must be performed by an SCDHEC-approved soil classifier. Located next to 645 Bob White Drive, Waterloo, SC 29384, it's a great opportunity to own property on Lake Greenwood.
