Description

5.80 ACRES FOR SALE | LOT 5 | JEFFERSON, SC | \$64,900 If you have been looking for a place where country living, privacy, and room to grow come together, Lot 5 is worth seeing. This 5.80-acre property offers a beautiful rural setting surrounded by young pines, established hardwoods, and natural greenery. As you walk the property, cleared paths give you a better look at the land and help you imagine what could be created here. There is plenty of space to carve out your own place in the country while keeping the natural tree cover that gives the property its peaceful character. Picture a home surrounded by trees, a long driveway welcoming you in, and enough land outside your door to truly enjoy. Bring the horses, raise chickens, create a garden, ride the ATVs, or simply enjoy having acreage where there is room to spread out. The combination of wooded acreage and existing cleared areas gives a future owner the opportunity to shape the property around their vision. Keep it heavily wooded for privacy, open additional areas, or create trails throughout the property for recreation. The photographs show exactly what makes this land special: greenery in every direction, young pines throughout the acreage, mature woods along portions of the property, and the quiet country surroundings buyers look for when they want to get away from crowded neighborhoods. Lot 5 – 5.80 Acres Offered at \$64,900 Jefferson, South Carolina TMS #: 007-00-00-003 Whether you are looking for a future homesite, a small homestead, recreational acreage, or simply a piece of South Carolina countryside to call your own, Lot 5 offers the space and setting to make that vision possible. Additional acreage is available if more land is desired. Contact us for additional information or to schedule a time to walk the property.
