Features

Description

Build your dream home with room to spread out or explore the potential for your next residential development. This 2.262 acre parcel on Johnstone Street in Newberry, SC, combines in-town acreage with close proximity to historic downtown, making it an appealing opportunity for custom-home buyers, builders, and real estate investors. Enjoy the convenience of being close to downtown Newberry's Main Street shops, local restaurants, and the Newberry Opera House, with Newberry College also nearby. Whether you envision a personal residence or a thoughtfully planned residential project, this location puts the attractions of downtown living within easy reach. For builders and developers, the property's R-6 High Density Residential zoning creates opportunities to explore your investing options! Multiple street access, this adds possibilities when evaluating access and site layout. City water, sewer, and electric service are available. Together, the acreage, location, and potential residential uses make this a property worth considering for both a custom homesite or residential development project. Whether you are searching for Newberry SC land for sale, an oversized residential lot near downtown, or a development opportunity in Newberry County, this parcel deserves a closer look.
