Description

This sprawling piece of property just over 31 acres of land and offers a wealth of potential for residential development. With the ability to build at least 30 homes or create 11 spacious estates sitting on at least an acre of land, this property is perfect for those looking to create a close-knit community or spacious luxury homes. There are a variety of trees and shrubs on the property, offering natural beauty and privacy to future residents. The property is zoned for residential use, and with right permits and approvals, the land could be developed into a stunning community of modern homes. Whether you chose to build 30 homes or create 11 luxurious estates, this property offer endless opportunities for customization and personalization.
